Over 21 years experience, 3 specialist business units and offices in Queensland and NSW. Our depth and breadth of knowledge means we know how to ensure your project's success.

:: \$1b+

:: **More than \$1billion in completed work.**
Mainbrace has constructed more than \$1billion in work, and has capacity for projects of \$100k to \$70m. We know how to build, manage and deliver your project.

:: 85%

:: **More than 85% of work comes from repeat business.**
We are often our client's preferred contractor with repeat business from some of Australia's leading companies, including Woolworths, Stockland, Coles Group, AMP, Valad, Westpac, Harvey Norman, ALDI and Investa.

:: 99%

:: **99% on time delivery since inception**
Specialising in retail, commercial and industrial sectors, Mainbrace has delivered 99% of our projects on time. You can be assured that at Mainbrace we will deliver on time without compromise.

:: 100%

:: **100% project focus**
We focus on the project not the profits. We like to work as a team with all stakeholders and make the project the primary focus.

:: **Dispute free environment**
Mainbrace is a construction management company, so it's our business to make sure your project runs as smoothly as possible and is dispute free. Our project staff understand how to be fair while offering a professional service, the value of which gets passed onto you with every project.
