

# Why Choose Mainbrace?

.....It's all in the numbers

When you choose Mainbrace, you have the experience on your side. We aren't successful unless you are. We make sure we have manpower, capacity, experience & expertise, to ensure your building experience stands out for the right reasons.

## 500+

:: More than 500 Projects - From Cairns to Victoria & inland to Broken Hill.

With over 20 years experience and a portfolio exceeding \$1billion, we know how to ensure your project's success. Specialising in commercial, industrial & retail sectors, our project capacity is \$100k to \$70M.

## \$1 Billion+

:: More than \$AUD 1 Billion in completed work.

Mainbrace have completed more than \$AUS 1Billion in construction. We know how to build, how to manage and how to deliver your project.

## 85%

:: More than 85% of work comes from repeat business.

We are often our client's preferred contractor with repeat business from some of Australia's leading Companies, like Woolworths, Stockland Group, Coles Group, AMP, ISPT, Westpac, Harvey Norman, Aldi & Investa.

## 97%

:: 97% on time delivery since inception.

After 20 years of operation, & 500+ projects completed, Mainbrace has delivered an enviable 97% of our projects on time. You can be assured that at Mainbrace we will deliver on time without compromise.

## 100%

:: 100% Project focus.

We focus on the project not the profits. We like to work as a team with all stakeholders, & make the project the primary focus.

:: Dispute free environment.

Mainbrace is a construction management company, so it's our business to make sure your project runs as smooth as possible & is dispute free. Our project staff understand how to be fair while offering a professional service, the value of which gets passed onto you with every project.
